

handcrafted PERFECTION

Winward's original **Natural Touch®** collection is the finest faux floral selection offered on the market. Not only is the collection botanically correct in style and realism, but it is also hand crafted with unique soft touch fabrics and enhanced with four sensational fragrances. It'll bring you the true spirit of fresh flowers that looks real, smells real, and feels real!

REFRESHER
& SOFTENER

Winward's exclusive refreshers and softener was developed to enhance this unique floral collection with the sense of touch and smell. The refreshers come in four fresh natural fragrances while the softener keeps the petals soft and supple to touch making this collection truly like nothing else on the market.
